Dear colleague,

Thank you for interest in the role of Executive Principal at Ark Alexandra Academy.

Ark Alexandra Academy is a large secondary academy, with 6th form, situated on the sunny south coast in Hastings, East Sussex. A popular school, Ark Alexandra is growing from a 10 to 12 form entry this year, working across a split site, which brings with it unique opportunities for growth and development. At its most recent Ofsted inspection in September 2021, Leadership & Management, Behaviour & Attitudes, Personal Development and Sixth Form were all judged to be Good. We are confident and excited about the school's future, and we now seek to appoint an aspirational and experienced Executive Principal to lead and embed this improving picture.

We are looking for an exceptional leader who will be committed to working in the school and who believes that every child, irrespective of their background, should be afforded an excellent education to progress to a career of their choice. The Principal has worked hard to implement our key priorities and he will continue to lead the school under the direction of the new Executive Principal. As a large and complex school, we need this dual leadership and oversight; success will be a joint venture. The successful candidate will provide strategic leadership across both school sites whilst also working closely with the Principal and senior leadership team on a day-to-day basis. This role will suit either an experienced Principal who wishes to remain in school, but wants to step into executive leadership, or an experienced Executive Principal who gains most satisfaction from working within a busy school setting, engaging with staff, parents and pupils.

Ark Alexandra Academy is part of the Ark network. The school works closely with its feeder primary schools, Ark Blacklands Primary Academy, Ark Castledown Primary Academy and Ark Little Ridge Primary Academy. All three are highly successful schools both in terms of academic outcomes for pupils as well as creating confident, kind children who are ready for the next part of their journey into secondary school.

As an incoming Executive Principal you will have the full support of the Ark network. Specific benefits for Ark senior leaders include:

- Influence across network-wide issues through our principal meetings, regional collaboration and working closely with eight south London schools
- On-hand expertise from our dedicated central education and operations teams who are ready to support you and your school
- A world class curriculum, including English and Mathematics Mastery programmes
- Bespoke teacher development programmes supported by the Great Teacher Rubric and Planning and Curriculum toolkits
- Excellent career development opportunities across both the region and wider Ark network
- Access to excellent senior leader training
- Highly competitive remuneration

I joined Ark, one of the largest and most successful multi-academy trusts in the country, in 2014, first as a Principal and later as Executive Principal before becoming Regional Director for Hastings. We are renowned for our approach to staff development, with high quality training provided at every level for both teaching and non-teaching staff. I am immensely proud of our Hastings schools, all of which are judged to have either good or outstanding leadership.

We look forward to hearing from you.

Lorraine Clarke OBE

Kindness — we will be friendly, generous, compassionate and considerate to each other and our community.

At Ark Alexandra we have a strong sense of family. We have dedicated pastoral teams who know each student as an individual, recognise their strengths and talents and understand the support they need to fulfil their potential. Ark's Six Pillars

HIGH
EXPECTATIONS

EXCELLENT
TEACHING

KNOWING
EVERY
CHILD

DEPTH
FOR
BREADTH

EXEMPLARY
BEHAVIOUR

ALWAYS
LEARNING

1. High Expectations

We believe that every child can achieve great things. So we set high expectations for all our pupils, and we do whatever it takes to meet them. Our aspirations are no lower for our most vulnerable pupils.

2. Excellent Teaching

A teacher affects a pupil's achievement more than any other factor. We work side-by-side with teaching staff, supporting them with training and development so that they can deliver excellent teaching. To make sure that no pupil is left behind, we've developed data management tools which help teachers to monitor progress — this shows when pupils, or indeed teaching staff, need extra support.

3. Knowing Every Child

We organise our schools so that every child knows, and is known well by, every adult in the school. We also recognise that children do best when families and schools work together. We keep parents well informed about children's targets, and we involve families in all aspects of school life. To nurture a love of reading and develop fluent communication skills, we also dedicate more time to literacy and English. We make sure that all of our teachers recognise the barriers that children face in building literacy skills, and we offer tools and expertise to enable teachers to best support students who need more help.

4. Depth for Breadth

When children build firm foundations in English, maths and other key subjects, they find it easier to do well in other subjects too. That's why we prioritise depth in these subjects, giving our pupils the best chance of success. We've developed *Ark Curriculum Plus* which aims to improve attainment, enjoyment and confidence in key subjects. Their approach is based on tried and tested methods from around the world, and is endorsed by Ofsted. Ark Curriculum Plus has over 1000 Mastery programmes being used across the country in Mathematics, English, Science, History and Geography across primary and secondary schools.

5. Exemplary Behaviour

Our schools are characterised by a respectful environment, where teachers can focus on teaching and pupils can focus on learning. We teach, recognise and reinforce good behaviour, and we don't tolerate poor behaviour. We don't accept any excuses, and we don't make any either.

6. Always Learning

To make sure children have enough time both for core subjects and for extra-curricular activities, many of our schools run a longer school day. Others are open at weekends and during school holidays, offering masterclasses and revision sessions. Many Ark schools offer residential stays, day trips and summer schools. In every school, no time is wasted — every hour of every day is devoted to children learning.
