

History and Politics Teacher Candidate Information Brief Dear candidate,

Thank you for taking the time to find out more about King Solomon Academy Secondary School in Westminster and the possibility of joining us. Included in this information pack is information about the academy, and the role of History and Politics Teacher.

KSA is a pioneering school looking to hire exceptional people. This is a unique opportunity for an ambitious and high-performing teacher who is committed to pushing themselves further and achieving amazing things with and for their pupils. We believe in high expectations and a sense of collaborative and positive enthusiasm which brings out the best in our team. Through weekly coaching and time allocated to professional development, we can help our teachers excel in creating a successful environment for our pupils.

Our pupils study humanities in Key Stage 2, History as a discrete subject in Key Stage 3, and, approximately 70% of pupils study History at Key Stage 4. History is also a popular choice at KS5. Pupils perform very well in History: last year 34% of our Year 11 cohort achieved grade 7+ in History GCSE and 40% of our year 13 cohort achieved a grade A or A* in their A Level History examination. We also offer Government and Politics at A Level. This is a popular option for pupils at A Level, and pupils typically perform very well. The successful candidate will be excited to teach History throughout the school and Government and Politics at A Level.

Our history curriculum not only aims to inspire future historians, but also to challenge the thinking of the young people we teach, regularly requiring them to adopt an analytical and inquiring approach to new ideas. We aim to create historians who examine new information with a critical eye and identify historical trends over time. Our curriculum is wide-ranging in scope, from the Romans to slavery and Empire, and through all that we teach, we aim to educate our young people in the legacy the past has today and the impact on their own lives.

Positive Action and inclusive recruitment at KSA

We are keen to bring new perspectives and backgrounds into our school to build a diversity of thinking so that we can build the best school possible. Following and analysis of our teaching body, we are actively welcoming qualified candidates from Black and Ethnic Minorities, as they are currently under-represented amongst our teachers. This is particularly important given the diverse community we serve.

We want to make applying to and working at King Solomon Academy as inclusive as possible, and have a variety of systems in place to ensure that our approach is as fair and open as possible:

- Transparent application procedure, including a well signposted interview day, which tells candidates how they will be assessed and how they can prepare
- 'Blind' screening of applications, discounting identifying characteristics when shortlisting, in pairs
- Diversity and Inclusion training for senior leaders involved in recruitment
- Interview processes which include a range of leaders to avoid any individual bias
- Discussion with the Staff Working Group (staff consultative body) to ensure the recruitment process is inclusive.

Being part of the Ark network

Ark is an international charity, transforming lives through education. We exist to make sure that every child, regardless of background, has access to a great education and real choices in life.

We know that great schools need great teachers, which is why we offer you the very best training and support at every stage of your career - from starting out as a trainee to running your own school.

Our highly-successful network of 39 schools educates over 20,000 students across Birmingham, Hastings, London and Portsmouth. They are achieving some of the best results in the country despite being largely in areas of historic academic underachievement.

Ark schools prioritise six key principles: high expectations; excellent teaching; exemplary behaviour; depth before breadth; more time for learning; knowing every child.

Ark invests significantly in a number of professional development programmes which complement academy level training:

• The Ark training menu: we have developed a bespoke training menu, which is accessible by all staff in the network offering a wide range of training modules to staff in all roles

- Network support: schools share CPD, allowing us to share best practice and role specific training across the network, facilitated by in-school and central staff
- Ark staff receive 10 training days each year rather than five.

Ark runs a number of additional programmes, including:

- Leading Impact for senior leadership development
- Lead Teachers, aimed at developing the skills of outstanding teachers to improve performance of other teachers
- Outstanding Teachers, aimed at good teachers aiming to improve and embed outstanding practice
- SEN training for new to role and established SENCos
- New Teacher induction

Ark is at the forefront of changing education society through education. We run Initial Teacher Training through School Direct and we co-founded the Future Leaders and Teaching Leaders development programmes and offer teachers and support staff a comprehensive range of school-based first class professional development opportunities.

Ark Safe Recruitment Procedure

Ark is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

Reference checking

References from the previous and current employer will be taken up for shortlisted candidates, and where necessary employers may be contacted to gather further information.

Probation

All new staff will be subject to a probation period of six months (which may, in certain circumstances, be extended by up to 10 weeks). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides the academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safe guarding and relationships with pupils.
