Dear Candidate

We are seeking to appoint a highly motivated, enthusiastic, organised, and reliable Assistant SENDCo and Teaching Assistant to join our Education Support Team.

Ark Academy is a school with high standards, high expectations and is underpinned by our core values: Civitas, Excellence, Perseverance and Participation. Our goal is that every student, regardless of their background or privilege, can go to higher education or the career of their choice and participate fully in our democratic society. Our core value is Civitas, and we teach children to be caring, polite, conscientious and motivated members of society. We want our children to aim high and be happy, successful citizens.

Ark Academy is an all-through academy, and we pride ourselves on being a part of a bigger picture of a child's education that can run from nursery all way through to sixth form. The ethos of the academy is the same in all sections of the school – a positive, aspirational, and nurturing environment. Our staff put the needs of the children first and are focused on their progress. We value teamwork and professional development very highly so that we can do the very best job that we can for the children.

We are looking for an experienced Teaching Assistant, with a minimum of 1 years' experience with SEN children. The successful applicant will be responsible for 1to1 support of a KS1 or KS2 child, including providing bespoke curriculum provision alongside working in a class and will be expected to serve as a motivational role model. A belief in a supportive and nurturing environment is essential, as this ensures that our pupils can make rapid progress both academically and socially. Additionally, this role would also be a SENDCO Assistant who would play a crucial role in supporting the Special Educational Needs and Disabilities Coordinator in managing Education, Health and Care Plans (EHCPs) and liaising with external agencies. This position requires a dedicated individual who can effectively contribute to the development and review of EHCPs, ensuring they accurately reflect the needs of students with special educational needs and disabilities. Effective communication and computer skills will be vital in this role.

This is a great opportunity for a motivated individual who is looking to further develop their practice.

To apply, please complete the online application by **8:00am Monday 2 September 2024**. If you would like to discuss the role in more detail, please contact James Elliott, Primary Headteacher via j.elliott@arkacademy.org

Applications will be reviewed on a rolling basis, so early application is encouraged. Only shortlisted candidates will be contacted.

We wish you the best with your application
