

Head of Year Candidate Information Pack

May 2024

Dear candidate,

Since inception, King Solomon Academy has consistently been one of the highest performing non-selective schools in the country. We are redefining what is possible and we are seeking an exceptional Head of Year, ready to join our high-performing school and to contribute to the achieving of our mission. This is a unique opportunity to be part of showing what education can achieve.

KSA aims to transform the lives of its pupils. Our mission is to provide a rigorous education that prepares our pupils for success at university and beyond, irrespective of their starting point. Our teachers and leaders do whatever it takes to make this a reality.

As a member of the Pastoral Leadership Team, this role requires a leader who is 100% aligned to King Solomon Academy's values, mission and approach. This role will provide the opportunity to be mentored and nurtured as a leader in one of the highest performing and most forward-thinking schools in the country.

We believe in knowing our pupils and knowing our community. Around 60% of our pupils are eligible for Free School Meals, and so taking on a pastoral leadership role will require a sense of purpose but also the credibility to be able to lead in a challenging context. Each pupil receives an important induction meeting before they join the secondary school and the school, the child and their family all make commitments to forming good habits for learning and conduct which guide them through their time at KSA secondary. At KSA we sweat the details and in the role of Head of Year you would be responsible for maintaining high expectations of academics and behaviour across your year group.

This is a challenging and exciting role which places its holder in a position of influence and accountability over the lives of a cohort of pupils at KSA. You will have the opportunity to shape culture in your year group by leading your year team to ensure superb outcomes for your pupils. The precise year group you would be working with would be based around the needs of the school at the time and we would expect a successful applicant to be capable of and willing to lead any year group in the future.

To apply, and to see more information about the school and this role please visit <http://kingsolomonacademy.org/current-vacancies>. The deadline is **11am on Monday 20th May 2024**. Applications will be considered as they are received. To discuss the role, please feel free to email the Principal's PA, Abi Saleh (a.saleh@kingsolomonacademy.org) or phone on 020 7563 6901.

We wish you the very best with your application,

Beth Humphreys

Being a Head of Year at KSA

KSA's small school model means that the leader of the year group has a unique opportunity to influence the lives of pupils. Our teachers often focus on particular year groups, spending the majority of the time teaching in the year group they are form teacher to. This means that the head of year can build a team of adults who have strong relationships with pupils. This sense of teamwork and collaboration is central to our approach.

The curriculum and structures of the school day, week and year allow this strong sense of team to build positive culture in the year group, led by the head of year. Pupils eat together as a discrete year group, and embark on whole year group productions, trips and enrichment. Every child from year 7 to 9 is part of their year group string orchestra which rehearses weekly as core part of the curriculum.

The role of head of year at KSA therefore represents an opportunity to have life changing impact and build leadership skills. Our pupils come from a disadvantaged context (60% FSM), so it is important that pastoral leaders are able to display credibility and resilience.

Positive Action and inclusive recruitment at KSA

We are keen to bring new perspectives and backgrounds into our school to build a diversity of thinking so that we can build the best school possible. Following an analysis of our teaching body, we are actively welcoming qualified candidates from Black and Ethnic Minorities, as they are currently under-represented amongst our teachers. This is particularly important given the diverse community we serve.

We want to make applying to and working at King Solomon Academy as inclusive as possible, and have a variety of systems in place to ensure that our approach is as fair and open as possible:

- Transparent application procedure, including a well signposted interview day, which tells candidates how they will be assessed and how they can prepare
- 'Blind' screening of applications, discounting identifying characteristics when shortlisting, in pairs
- Diversity and Inclusion training for senior leaders involved in recruitment
- Interview processes which include a range of leaders to avoid any individual bias
- Discussion with the Staff Working Group (staff consultative body) to ensure the recruitment process is inclusive.

Being part of the Ark network

Ark is an international charity, transforming lives through education. We exist to make sure that every child, regardless of background, has access to a great education and real choices in life.

We know that great schools need great teachers, which is why we offer you the very best training and support at every stage of your career - from starting out as a trainee to running your own school.

Our highly-successful network of 39 schools educates over 20,000 students across Birmingham, Hastings, London and Portsmouth. They are achieving some of the best results in the country despite being largely in areas of historic academic underachievement.

Ark schools prioritise six key principles: high expectations; excellent teaching; exemplary behaviour; depth before breadth; more time for learning; knowing every child.

Ark invests significantly in a number of professional development programmes which complement academy level training:

- The Ark training menu: we have developed a bespoke training menu, which is accessible by all staff in the network offering a wide range of training modules to staff in all roles
- Network support: schools share CPD, allowing us to share best practice and role specific training across the network, facilitated by in-school and central staff
- Ark staff receive 10 training days each year rather than five.

Ark runs a number of additional programmes, including:

- Leading Impact for senior leadership development
- Lead Teachers, aimed at developing the skills of outstanding teachers to improve performance of other teachers
- Outstanding Teachers, aimed at good teachers aiming to improve and embed outstanding practice
- SEN training for new to role and established SENCOs
- New Teacher induction

Ark is at the forefront of changing education society through education. We run Initial Teacher Training through School Direct and we co-founded the Future Leaders and Teaching Leaders development programmes and offer teachers and support staff a comprehensive range of school-based first class professional development opportunities.

Ark Safe Recruitment Procedure

Ark is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants.
