

Ark Isaac Newton Academy

Deputy Head of Mathematics

About Isaac Newton Academy

INA is based in new buildings between Ilford High Road and Green Lane in Ilford. The school's learning community is based upon the core values of mutual respect, personal discipline, and an unwavering commitment on the part of all community members to do whatever it takes to excel.

Isaac Newton Academy Secondary is a non-denominational, non-selective school, welcoming girls and boys from all backgrounds from the local community. The school opened with just 180 Year 7 students in September 2012. The secondary school has grown year on year and we now have 1200 11-18 year olds (including 250 students in the Sixth Form). In September 2014, Isaac Newton Academy opened a three-form entry primary school in purpose-built accommodation right next to the secondary academy. There are 90 children in each year group and, like the secondary school, it has grown a year group at a time. From September 2020, we now have children in Reception through to Year 6.

The London Borough of Redbridge forecasts a significant deficit in secondary school places over the coming years. The new Academy will thus serve a critical, long term need for the community. Although the local area encompasses considerable economic disadvantage, its young people achieve some of the best results in London schools. Ark was chosen to sponsor the academy because of the success of our educational model and the alignment of our educational vision with the Redbridge context.

Dear Candidate,

I am delighted to introduce you to Ark Isaac Newton Academy, a brand new, purpose-built, all-through school for students aged 4-18 in Ilford.

Our staff work tirelessly to ensure that each and every student is supported and stretched to reach their full potential. We focus on working towards achieving our vision **‘Together, we build a kind, safe and inclusive environment that instills the knowledge and character necessary to reach transformational destinations’**. Commitment to our vision has already delivered a series of great successes highlighted in October 2018 when the academy was judged by Ofsted to be outstanding in all areas.

Joining Ark Isaac Newton Academy in September 2020, I have spent more than a decade as a senior leader, a large portion of this within an all-through school. There is something incredibly special about working in an all-through school, which makes me committed to delivering the highest quality education to all the students at Isaac Newton Academy and will build on the successes already enjoyed by the school, especially highlighted with our amazing year 6, 11 and 13 academic outcomes in 2022 and 2023.

Our academy aims to be a ‘home from home’ for both staff and students. My belief is all students deserve a great school and staff a great place to work. Therefore, we are very clear with the culture that we wish to cultivate for our community. Central to this is being a mission led organisation, which is at the heart of everything we do and outlines our ambition, that goes beyond ensuring our students have excellent academic outcomes. Ultimately, working for Ark Isaac Newton Academy is about being part of something unique where aspirations for all people are incredibly high. We certainly want like-minded people to join our organisation and live our mission each day, every day: ***Striving together to be pioneers whose legacy makes a positive difference for our world.***

I wish you the best with your application.

Morgan Haines
Principal

Our Mission

Striving together to be pioneers whose legacy makes a positive difference for our world.

Our vision

Together, we build a kind, safe and inclusive environment that instils the knowledge and character necessary to reach transformational destinations.

Our Values & Beliefs

- **Integrity** – We are true to our values, doing what we say; we always do the right thing, even when it's hard and nobody is watching.
- **Kindness** – We always support each other, show genuine care and consider the feelings of others in all our actions and words.
- **Professionalism** - We model pride and positivity in all that we do; we are always respectful and take responsibility for our actions.
- **Growth mindset** – We work hard; we are resilient in adversity and unafraid of failure, always embracing our mistakes and celebrating our growth.
- **Excellence** – We are highly ambitious, doing the best in all we do to become the greatest version of ourselves.
- **Community** – We are unified, valuing relationships that create an environment where everybody is accepted and belongs.

About Ark

Ark is an education charity set up in 2004 to create a network of high achieving, non-selective, inner city schools where all pupils, regardless of their background or prior attainment, achieve highly enough by age 18 to have real choices: to go on to university or the career of their choice. Ark has no faith affiliations.

All ARK schools are situated in areas of high deprivation or educational need and our pupil profile reflects this: over half of our pupils are eligible for free school meals compared to 18% nationally.

The ARK network operates 39 schools in the UK across London, Portsmouth, Birmingham and Hastings. Each of our schools has its own distinctive character, reflecting its local community.

All Ark Schools prioritise six key principles:

- High expectations
- Excellent teaching
- More time for learning
- Knowing every student
- Exemplary behaviour
- Depth before breadth

A Commitment to Encourage Diversity

Ark is committed to eliminating discrimination and encouraging diversity amongst our employees. Our aim is that our workforce will be truly representative of all sections of society and that each employee feels respected and able to give their best. To that end we are committed to provide equality and fairness for all in our recruitment and employment practices and not to discriminate on grounds of age, disability, gender reassignment, marriage/civil partnership status, pregnancy and maternity, race, religion or belief, sex, or sexual orientation. We oppose all forms of unlawful and unfair discrimination.

Job Description – Deputy Head of Mathematics

Reports to: Head of Mathematics
Start date: September 2024
Location: Isaac Newton Academy, 1 Cricklefield Pl, Ilford IG1 1FY
Salary: MPS/UPS (£35,368-£53,230) depending on experience, plus TLR
Closing Date: 5pm, Monday 22nd April 2024
Interviews: Candidates will be contacted once shortlisted.

The Role – key responsibilities

- To strategically lead maths at KS4/KS5; ensuring that there is sufficient forward planning and that the schemes of learning and resources meet INA's requirements
- To lead on the design, development and review of the KS4/KS5 Mathematics schemes of learning and resources, ensuring that there is sufficient challenge and that deep questions are explicitly built into medium term plans and lesson plans
- To set up routines and systems to ensure that students organise and formally record their learning to aid revision
- To maintain expert knowledge of T & L at KS4/KS5, keeping abreast of the latest research and publications, attending courses and disseminating great practice to members of the department
- To monitor and evaluate teaching and learning within KS4/KS5 Mathematics by conducting regular learning walks, book looks and lesson observations
- To support or coach less experienced members of the team to develop great teaching practice at KS4/KS5
- To coach other KS4/KS5 at A level and beyond
- To research, amend and administer appropriate assessments for all KS4/KS5 Mathematics courses
- To track and monitor data at KS4/KS5, identifying students requiring additional support and managing interventions. To ensure that the fortnightly tests are used to drive students' progress

Development of the Ark Network

- Value and support practices driving continued progress across the network of Ark schools
- Participate actively throughout the network, by attending relevant meetings, and, as appropriate, delivering network-wide training and initiatives

Other

- To be Performance Developer for a number of teachers within the department and review probation targets for teachers as required
- To support the Head of Mathematics with the effective induction of new staff to the department

- To support the Head of Department with monitoring and evaluation of the teaching and learning within Mathematics by conducting regular learning walks, book looks and lesson observations
- To deputise for the Head of Department with day to day issues such as behaviour incidents / cover work
- To act as a tutor or co-tutor
- To meet the expectations of all INA staff as laid out in the Staff Code of Conduct and Ways of Working Together Policy
- To uphold all Academy policies with consistency and diligence
- To undertake any other professional duties as set down in the Ark Schools pay and conditions of service document, and as directed by the Principal.

Person Specification: Deputy Head of Mathematics
