**Ark Victoria Academy provides pupils with a unique journey in their education through the curriculum, personal development programme, student experience offer and the vast range of opportunities that we are able to provide as an all-through school. Whilst being a large school, we are able to retain a family feel, to nurture our pupils through their schooling and ensure that they leave us with the skills and qualifications necessary to continue their journey of life-long learning in a university or career of their choice.**

It's for this reason that Ark Victoria Academy was judged 'Good' by Ofsted in May 2019, with a strong emphasis on expert subject knowledge from our teachers, strong teaching and leadership and a focus on excellence for our students and staff.

### **Why work for Ark Victoria?**

We value our staff and provide a comprehensive programme of coaching and professional development for all our staff. Hear what our teachers have to say about working at Ark Victoria Academy: <https://arkvictoria.org/page-strips/hear-our-team-o>

### **The Role**

We are looking for a committed Teacher of Science to join the science department in our secondary phase. You will be aligned to Ark's high aspirations and expectations for pupils and staff and have demonstrable evidence of improving outcomes.

Our values mean a great deal to us and underpin all that we do, and so it is important that you champion Ark Victoria's pledge of being Ambitious, Resilient and Kind as well as living by the Ark ethos and six pillars that enable us to achieve our mission.

### **Key Responsibilities**

- Plan and teach well-structured, differentiated lessons that are aligned to the agreed curriculum and cultivate every student's intellectual curiosity
- Use data to inform teaching and learning, identify areas for intervention and provide feedback to students, staff and families in order to promote progress and outcomes
- Manage behaviour effectively to create a safe, respectful and nurturing environment so that students can focus on learning
- Work collaboratively with both school and network colleagues as a committed team member, building successful, high performing teams
- Participate actively throughout the network, by attending relevant meetings, and, as appropriate, delivering network-wide training and initiatives
- Work with colleagues, students and families to develop a strong school community

### **Other**

- Actively promote the safety and welfare of our children and young people
- Ensure compliance with Ark's data protection rules and procedures

- Liaise with colleagues and external contacts at all levels of seniority with confidence, tact and diplomacy
- Work with Ark Central and other academies in the Ark network, to establish good practice throughout the network, offering support where required

This job description is not an exhaustive list and you will be expected to carry out any other reasonable tasks as directed by your line manager.
