

Ark St Alban's Academy

Lead Teacher of Music

Ark St Alban's Academy is seeking a leader for its music department as it seeks to rapidly expand its music provision.

Pupils enjoy and make rapid progress in music at Key Stage Three, where each class has one lesson of music every week, and at Key Stage Four we have been consistently able to offer a rigorous GCSE music curriculum. Our music offer is developed in collaboration with music specialists from across the Ark network. The successful candidate would have the opportunity to lead the implementation of Music Mastery, an innovative trust-wide and knowledge rich curriculum at Ark St Alban's Academy. In addition to the curriculum, specialists across the network also work together to provide an enriching extra-curricular offer for our pupils. As a result, the successful candidate would be able to lead pupils from our community in being able to create, practice and perform music with their peers from across the region and across the country.

Joining a network of curriculum leaders from schools across the country working together to provide all pupils with an excellent music education.

We believe that music is place where pupils can find joy and can find their passion. We know that the habits of practice, perseverance and teamwork which are required to become an expert musician, are the habits that all pupils need the opportunity to develop in order to succeed. We also recognise that the music curriculum is academically rigorous; it is rich with meaningful cross-curricular links and it is valued as a qualification at Key Stage Four and at Key Stage Five by the prestigious universities we want all of our pupils to aspire to.

At Ark St Alban's Academy, we are supporting all of our pupils to climb the mountain to university.

We believe that success in a university preparatory curriculum is the best way to make sure that all of our pupils can make meaningful choices about their future when they leave us. As such, we teach an academically rigorous curriculum and provide pupils with both the pastoral support and the excellent teaching that they need in order to thrive.

The successful candidate will be able to lead the expansion of our music offer. We are seeking a candidate who can plan strategically to develop an ambitious and robust enrichment offer. This enrichment offer would provide every pupil with the opportunity to learn an instrument and to practise music, and it would complement and support a developed curriculum offer in ensuring that an increasing number of pupils were able to confidently choose to pursue music at GCSE, and eventually at A-Level.

As a Church of England School, we believe that climbing the mountain to university is the best way to challenge all of our pupils to fulfil their God-given talents. We also recognise our role in addressing inequality by ensuring that pupils drawn from a low-income community have the opportunity to attain an excellent education. This role will provide you with the opportunity to play a leading role in a department which is going to achieve truly exceptional outcomes for the young people that we serve.

We are seeking a teacher that is ready to play a leading role in our work to provide a transformational education for all of our pupils.

For an informal, conversation about the role please contact Katie Roberts on 0121 446 1323 or katie.roberts@arkstalbans.org.

Please submit your application online by visiting <http://arkstalbans.org/vacancies>. The deadline for applications is **10.00am on Monday 13 June 2022**.

Being part of the Ark network

Ark is an international charity, transforming lives through education. We exist to make sure that every child, regardless of background, has access to a great education and real choices in life. We know that great schools need great teachers, which is why we offer you the very best training and support at every stage of your career - from starting out as a trainee to running your own school.

Our highly-successful network of 37 schools educates over 20,000 students across Birmingham, Hastings, London and Portsmouth. They are achieving some of the best results in the country despite being largely in areas of historic academic underachievement.

Ark schools prioritise six key principles: high expectations; excellent teaching; exemplary behaviour; depth before breadth; more time for learning; knowing every child.

Ark invests significantly in a number of professional development programmes which complement academy level training:

- The Ark training menu: we have developed a bespoke training menu, which is accessible by all staff in the network offering a wide range of training modules to staff in all roles
- Network support: schools share CPD, allowing us to share best practice and role specific training across the network, facilitated by in-school and central staff
- Ark staff receive 10 training days each year rather than five creating time to collaborate with subject specialists within each school and across the network

Ark is at the forefront of changing education society through education. You can read more about how Ark is transforming lives through education [here](#).

Principal

Guy Rimmer graduated from the University of Warwick and became part of the very first Teach First cohort in the West Midlands. Having trained as an English teacher in Birmingham, Guy then went on to work for Teach First itself, coordinating teacher development activities for its alumni network. In 2010, he joined Ark Schools and began teaching at King Solomon Academy, an exceptionally successful start-up school in central London where he taught a number of subjects including Business, Geography and Religious Studies.

Guy held several leadership positions at King Solomon Academy, before becoming Head of Secondary in 2018. In ten years as a leader at KSA, Guy played a key role in the success of the first five cohorts to complete GCSEs and A-Levels at the school, cohorts which consistently placed in the top 1% nationally for pupil progress and from which, the majority of pupils regularly secured places at top-third universities after the completion of their sixth form studies. Guy joined Ark St Alban's Academy in September 2020 and he is determined to continue the work of building a school in central Birmingham which is a truly exceptional place to work and to study.

Ark Safer Recruitment Procedure

Ark is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

Reference checking

References from the previous and current employer will be taken up for shortlisted candidates, and where necessary employers may be contacted to gather further information.

Probation

All new staff will be subject to a probation period of six months (which may, in certain circumstances, be extended by up to 10 weeks). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides the academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safeguarding and relationships with pupils.
