Opportunity for an exceptional candidate to join our highly successful art and design department, shaping a new Ark secondary school in Ealing.

Ark Soane Academy is a new secondary school in Acton which opened in 2021. We will have 720 students in Years 7-10 from September 2024 and will be launching our GCSE programmes for the first time.

Ark Soane seeks to redefine what is possible in education. Our model is “simplicity delivered expertly”: by delivering an immaculately planned and highly academic curriculum exceptionally well; and by providing our students with a compelling aspiration-raising ethos we seek to transform the future of students in a highly deprived community.

Behaviour at Soane is exemplary enabling you to deliver exceptional lessons. Students are entirely bought-in to the values and ethos of the school and know that they are fortunate to attend a school where the quality of education is exceptional and where love, warmth, respect and the highest standards permeate every interaction. Students are a pleasure to teach and you can always expect a “thank you miss” when students leave your classroom.

Leaders at Soane prevent unnecessary demands on teacher time – meetings, marking and administrative tasks are minimised to ensure teachers can be highly effective. The curriculum and resourcing ensure that teachers rarely plan alone: staff time is used where it is most valuable: working as a team to implement the curriculum for the students in our classrooms.

We are a community of professionals learning together who believe we can all become exemplary teachers. We have a truly open-door culture where frequent low-stakes feedback is the norm. We value the input of all of our staff and collaborate to ensure the academy continues to improve as it expands. We frequently host teams of domestic and international educators who come to learn from us and help us shape our provision.

Ark Soane Academy is part of Ark, one of the UK’s most successful school groups, with a network of 37 schools in 4 locations across the country

As a proud member of the network, we offer:

- Twice as many training days as standard
- Weekly staff training designed to meet the needs of the school
- Coaching for every teacher
- Protected co-planning time
- Access to high-quality, regular professional development
- Opportunities to collaborate with colleagues across the network.

The role

We are recruiting an exceptional team of staff to support the growth of a genuinely transformational school. The successful candidates will join a very strong art department and will work collaboratively to shape art provision at the school, embed the school vision and develop an outstanding school that empowers our students to take responsibility and drive their own destinies.

The successful candidate will have the opportunity to grow with the school. They will be supported in their development and preparation for future roles. Teaching experience will not be a determining factor — we welcome applications from NQTs as well as more experienced candidates. We will develop every staff member that joins our team, providing one-to-one support, coaching and mentoring and access to extensive network training.

You will:

- Have an unwavering determination to deliver excellence for students from all starting points
- Share the Ark Soane beliefs, vision and mission and be aligned with the Ark six pillars underpinning it
- Be committed to Ark’s ethos of high expectations for every student in both academic achievement and personal development

Teacher of Art, design & technology Information Pack

Thank you for your interest in joining Ark Soane Academy. Our ambition is to provide an outstanding academic education for all our students to enable them to live happy and fulfilled lives and to be the drivers of their own destinies.

Joining Soane now is a unique opportunity to become part of a thriving, collaborative and growing team who all hold the highest expectations of student behaviour and effort and are all deeply committed to the success of our students and of the school.

We are looking for passionate advocates of the arts to join us. The growing art department at Ark Soane is a vibrant, active hub where creative learners take part in a rigorous, diverse, and fulfilling curriculum. This curriculum is designed to give students the skills and knowledge to succeed as visually literate citizens of the future.

We are looking forward to moving into our brand-new high specification teaching spaces which will be full of exciting new resources to extend our arts provision ever further. These include a ceramics studio, IT suite and dedicated textiles room as well as traditional light and spacious art rooms. Staff joining us this year will support us in the final design of these studios, bringing their own practice to the forefront as part of the Ark Soane team.

We highly value arts education as a vital part of an Ark Soane students' broader cultural education. We think arts education is fundamentally about learning to produce and represent meanings, so good arts education involves doing (e.g. making or interpreting) and being (e.g. taking on the role of artist) as well as knowing.

Teaching art, craft and design at Ark Soane means creating thoughtful encounters with diverse materials and processes. We recognize the need for depth, yet we also value the scope of contemporary art practice. We balance the need for traditional fine art skills carefully alongside the interaction with new materials and a broad range of processes such as sculpture, printmaking and design. We believe that the exploration and analysis of contemporary and historical art practice is key to understanding how artists build and at times break from the existing body of knowledge.

Our warm strict approach to school life allows students to make rapid progress in art uninterrupted by distraction. The Art curriculum model includes the taught curriculum (developing skills and knowledge with increasing complexity and depth) alongside exhibitions, enrichment opportunities, trips, and competitions that ensure personal expression and individuality are truly cherished.

You can look forward to joining an exceptionally warm, collaborative and experienced team. You can expect the highest levels of dedication and commitment from your students and unwavering support from the school leadership team in securing this.

Our staff are committed subject experts and are given the capacity and the training to ensure that their curriculum delivers knowledge-rich mastery through effective planning and intellectual preparation.

We believe that every member of staff deserves to be developed, and routine coaching for all staff underpins student progress. If you join us you can look forward to being part of a team where your time and professionalism are highly valued and where your voice is welcomed in shaping the future direction of the school.

We are recruiting for September 2024 and will continue to recruit extensively as the school reaches its full size. To discuss this role, or future opportunities at Ark Soane, please contact Zahra Hamdaoui at (hr@arksoane.org) or phone on 020 81615579.
