If you are ready to add further value to our Computer Science Department and to work alongside a brilliant school leadership team, then you will find this job extremely rewarding.

About the role:

We are seeking a dynamic Teacher of Computer Science to join our **department for Computer Science and Business** in our secondary phase.

You will be a fantastic motivator and will inspire students to achieve and exceed grades. You will be aligned to Ark's high aspirations and expectations for pupils and staff and have demonstrable evidence of improving outcomes.

Our values mean a great deal to us and underpin all that we do, and so it is important that you champion Ark Victoria's pledge of being Ambitious, Resilient and Kind as well as living by the Ark ethos and six pillars that enable us to achieve our mission.

The successful candidate will:

- be instrumental in our mission to provide every student a great education and real choices in life, regardless of their background
- be a passionate practitioner, delivering high-quality, rigorous lessons that drive achievement and inspire a love of learning that extends beyond the classroom
- plan and teach well-structured, differentiated lessons that are aligned to the agreed curriculum and cultivate every student's intellectual curiosity

About Ark Victoria Academy

Aim high, be brave, be kind, keep learning!

Ark Victoria Academy is a high performing school across all key stages, providing pupils with a unique journey in their education through the curriculum, personal development programme, student experience offer and the vast range of opportunities that we are able to provide as an all-through school. 73% of all grades awarded at GCSE 2023 are grade 4 and above, against a national figure of 68%. 67% of students gained a grade 4 or above for English and maths. At KS2 82% of pupils gained the expected standard in reading, writing and maths, against a national figure of 59%. 87% of our pupils achieved the expected standard in reading and 85% in maths. Our provisional P8 score of +0.55, which based on last year's results would place us in the top 20% of all schools.

Whilst being a large school, we are able to retain a family feel, to nurture our pupils through their schooling and ensure that they leave us with the skills and qualifications necessary to continue their journey of life-long learning in a university or career of their choice.

It's for this reason that Ark Victoria Academy was judged 'Good' by Ofsted in May 2019, with a strong emphasis on expert subject knowledge from our teachers, strong teaching and leadership and a focus on excellence for our students and staff.

Principal

I am delighted and proud to welcome you to Ark Victoria Academy, a family school in the heart of Small Heath. I joined our academy in 2019 and am working hard with our pupils and staff to make sure our school continues to improve. We want to provide an excellent education for each and every one of our pupils.

As Principal, it is my responsibility to create an environment in which your child can become a confident, articulate, resilient and kind young adult. Our curriculum, enrichment programme and student experience days, help ensure our pupils learn, thrive and make progress. We are committed to preparing and supporting our pupils to go on to pursue careers they are passionate about, contributing positively to society and living happy, healthy and fulfilled lives.

Our school community works hard to ensure our values of being **ambitious, resilient** and **kind** underpin our work and are upheld by us all.

We know that all children can and will achieve success and our dedicated staff work hard to nurture, support and provide challenge, to make this a reality. We welcome and value the input of carers and parents; together, we work hard to help realise the dreams and ambitions of our children and their families.

Please take a look around our website to find out what we can offer your child. The best way to really understand our school is to experience it. I would love to show you around and answer any questions you may have.

Ms Ela McSorley, Principal

Being part of the Ark network

Ark is an international charity, transforming lives through education. We exist to make sure that every child, regardless of background, has access to a great education and real choices in life. We know that great schools need great teachers, which is why we offer you the very best training and support at every stage of your career - from starting out as a trainee to running your own school.

Our highly-successful network of 39 schools educates over 20,000 students across Birmingham, Hastings, London and Portsmouth. They are achieving some of the best results in the country despite being largely in areas of historic academic underachievement.

Ark schools prioritise six key principles: high expectations; excellent teaching; exemplary behaviour; depth before breadth; more time for learning; knowing every child.

Ark invests significantly in a number of professional development programmes which complement academy level training:

- The Ark training menu: we have developed a bespoke training menu, which is accessible by all staff in the network offering a wide range of training modules to staff in all roles
- Network support: schools share CPD, allowing us to share best practice and role specific training across the network, facilitated by in-school and central staff
- Ark staff receive 10 training days each year rather than five creating time to collaborate with subject specialists within each school and across the network

Ark is at the forefront of changing education society through education. You can read more about how Ark is transforming lives through education [here](#).

Ark Safer Recruitment Procedure

Ark is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

Reference checking

References from the previous and current employer will be taken up for shortlisted candidates, and where necessary employers may be contacted to gather further information.

Probation

All new staff will be subject to a probation period of six months (which may, in certain circumstances, be extended by up to 10 weeks). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides the academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safeguarding and relationships with pupils.
